Thank you for your support of The St. Louis and Suburban Radio Club, Inc. (SLSRC), through your continued membership.

SLSRC has served the Amateur community in the St. Louis area since 1947 and today continues to seek ways to make Amateur Radio a valuable asset to both its membership and the non-amateur community of which it is apart.

Your membership also provides you with access to the "member's only" portion of our public web site found at <http://www.slsrc.org>. There, you will find information to enhance your use of the club's repeater systems, your Member Handbook & Repeater Users Guide as well as access to your personal club information page. These on-line member features have been recently initiated and will be enhanced throughout the remainder of 2008 providing you with additional valuable member information and features.

Also, please remember that SLSRC provides a monthly meeting of the Corporation that includes a program of interest to Amateurs and a business meeting of the Corporation.

Member opportunities:

- Tuesday evening on-air club net at 8:00 PM on 146.850
- Monthly meeting the second Friday of each month starting at 7:30 PM at Missouri Baptist Hospital complex
- Monthly Board meeting, open to all members, the fourth Monday of each month
